

FOR IMMEDIATE RELEASE

Disk Hero announces a new end user payment method – “eChecks”

Dublin, CA, March 7, 2008 – Disk Hero has incorporated a new payment option for end user clients which allows a client to enter in bank account routing numbers with account information. This allows a user to not enter in a credit card number, so it is a great alternative payment method.

About Disk Hero

Everyone has documents, pictures, music and other important files that would be difficult or impossible to replace. Disk Hero has over 34,000 customers using a complete suite of backup solutions for individuals and small businesses. Visit www.DiskHero.com for additional information and a backup solution of your own.
