

FOR IMMEDIATE RELEASE

Disk Hero announces “REMOTE ACCOUNT MANAGEMENT” option for Businesses and Resellers

Dublin, CA, August 22, 2008 – Disk Hero has implemented an option in the web portal for easy administration that allows administrators to mark and manage by individual end user account backup plans. This means remote administration of backup plan changes can be administered from one web browser. There is no end user intervention needed.

About Disk Hero

Everyone has documents, pictures, music and other important files that would be difficult or impossible to replace. Disk Hero has over 42,000 customers using a complete suite of backup solutions for individuals and small businesses. Visit www.DiskHero.com for additional information and a backup solution of your own.
